**COURSE REVIEW**

## ***You are God's Champion!***

**Y**ou are a very special person! Many who start this process, just don't finish. That doesn't mean that God is giving up on them just because they have given up. They will have another chance because of our Father's love, mercy and grace. I am so thankful for how He treats us with such kindness. But I must tell you the truth, we reap what we sow.

You have planted seeds of faith by sticking with *Winning God's Way- Basic Training*. You have planted seeds that will grow a good crop in your life. You have learned about how God is totally transforming you from the inside out. One of the most powerful weapons to win God's way is the act of intimate, two-way communications with Him. Passionate prayer is one of the keys to victory. Another abundant life building block is the Bible, God's super book. From it, the Holy Spirit brings His living *Rhema* which He gives to us for strength and to reprogram our mind's software. In our final modular, we focused on the supernatural act of faith, which gives us the winning edge to live an abundant life.

Wow! We covered a lot of ground in just 20 sessions. I asked you to keep moving forward even if you don't see or feel any changes in your life. We talked about it taking at least 21 days for a new habit to begin to take root. Keep doing what you know to do. I promise that it will be worth it.

Tomorrow is Session 21. That will be our time to pull it all together and wrap up this Basic Training Course.
